

Do you want to be a part of Neighborhood Watch?

The Maple Grove Police Department have set forth the following guidelines for establishing a “Neighborhood Watch Group”. . . .

To qualify as a Neighborhood Watch block:

1. Must have a Captain and a Co-Captain (cannot live in the same household) that are willing to represent their neighborhood and relay information between the police and their neighbors.
2. At least 50 percent of the neighbors in the area must actively participate in the program.
3. The block club must meet a minimum of twice a year. National Night out can count as one of the meetings. An Officer or Police Department Representative needs to be present at one of the two yearly meetings.

Operation I.D. is not required for neighborhood watch, but it is still a program that is offered by the Maple Grove Police.

For more information on Neighborhood Watch or Operation I.D. please contact Crime Prevention Officer Todd Strege at 763-494-6134 or tstrege@ci.maple-grove.mn.us
